

Make a healthy lunch box

Let's learn what to put in a healthy lunch box.

Snacks

Choose one item from each of the mains, snacks and drinks to make a healthy packed lunch.

Use the page below to plan your packed lunches for a week.

Low-fat cream cheese on a wholegrain cracker, with grapes

Carrot, pepper and cucumber sticks

Low-fat yoghurt

Top snacks tip!
Avoid snacks that are high in salt, like crisps and salted nuts. Instead try dried fruits or vegetable sticks.

Top mains tip!
Try to have a different lunch each day. This will help your body take in the different nutrients in different foods.

Low-fat fruit scone with berries

Two portions of fruit

Wholegrain pasta salad with tuna, butter beans, cherry tomatoes, sweetcorn and spring onions

Cous cous with roasted vegetables

Drinks

Water

Orange juice

Top drinks tip!
Milk is a source of calcium, which is good for our bones. Make sure you keep milk in a fridge.

Semi-skimmed milk

Fruit smoothie

Wholegrain wrap with chicken, cucumber, tomato and lettuce

Wholegrain bread sandwich with houmous and grated carrot

My packed lunches

Use this page to plan your packed lunches for a week. Look at the page before and choose one main, one snack and one drink for each lunch box. Or, follow our top tips and make up your own healthy lunch!

Top snacks tip!
Avoid snacks that are high in sugar or fat, like crisps, chocolate or fried food. Try to snack on fruits and vegetables.

Top drinks tip!
We shouldn't drink too many sugary drinks because they are bad for our teeth. Water is a healthy choice.

Top mains tip!
Brown bread, pasta and rice are better for you than white. They have more fibre in them, which helps you go to the toilet.
