

## Jigsaw pieces

Only one more piece is needed to finish the jigsaw - which shape will complete the picture of Professor Foodsmart and Snack collecting their sports day prizes?

## Oranges and lemons

Colour in the half slices so you have 3 orange slices for every 1 yellow slice.

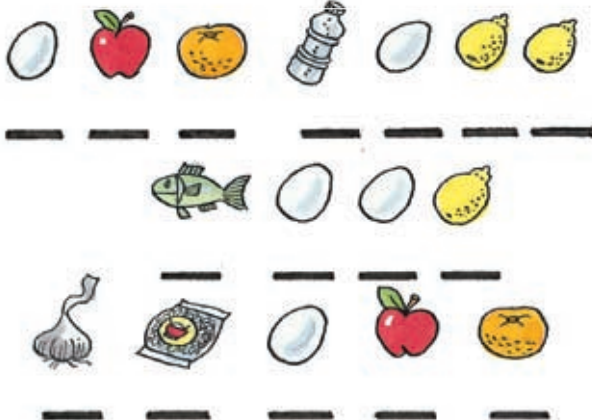

To make your own orange and lemon drink, squeeze the juice of 3 oranges and 1 lemon into a glass, then add some sparkling mineral water or soda water!

## Letter code

The first letter of each of these objects is written underneath it. Can you name them all?

The pictures and letters make a code. Use it to reveal the secret sentence below!

## Search for Snack

The athletes are having some refreshments after their sports-day fun. Snack is with them but so are all his canine friends! Can you spot the real Snack?
